BIZMETRIC ATTENDED “DATABRICKS DATA + AI SUMMIT”

Bizmetric proudly attended the **Databricks Data + AI Summit 2024**, where thousands of data leaders, engineers, scientists, and architects gathered to explore the latest innovations in the Retail and Consumer Goods industry.

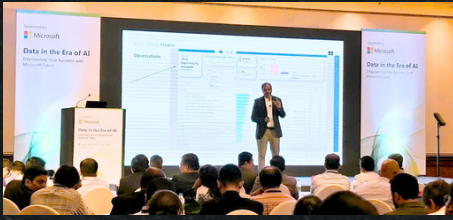

Key Highlights:

- **Key Themes:** Leveraging Gen AI for retail use cases, unifying data governance for AI initiatives, and simplifying data architecture with end-to-end data warehousing capabilities
- **Networking:** Engaged with Databricks' COO Hatim Shafiq and CEO Anil Bhasin
- **Industry Insights:** Learned from leading experts from H-E-B, Sephora, McDonald's, Kwik Trip, and more
- **Innovative Use Cases:** Databricks' Data Intelligence Platform was highlighted for its AI capabilities
- **Educational Opportunities:** Attendees benefited from keynotes, technical sessions, hands-on training, and networking

OUR CLIENT APPRECIATIONS

"I want to extend my heartfelt thanks for the outstanding work you did at Bisleri. Stepping in as Tushar's replacement, you seamlessly took charge and made significant contributions. Your weekend support was highly appreciated, and your handling of the client and delivery of the DA Commission and realization report was exemplary. Your positive attitude, dedication to learning, and ability to solve complex problems set you apart. Thank you for all your efforts on the Bisleri project."

- BEVERAGES INDUSTRY

We extend our heartfelt thanks to you for your exceptional support at Exxon during our PCAT workshop for the BTC Integrity team. Your invaluable assistance in preparing the presentations, setting up the PCAT environment, and meticulously handling the documentation played a crucial role in the workshop's success.

Your dedication and expertise were instrumental in ensuring that everything ran smoothly, and your contributions significantly enhanced the overall quality and effectiveness of the workshop.
